**Survive!: Essential Skills and Tactics to Get You Out of Anywhere - Alive** Les Stroud, Michael Vlessides

From the sun-scorched sands of the Kalahari to the snake-infested jungles of the Amazon, Les Stroud has made a life of surviving in the harshest—and most remote—regions on Earth.

Now, the creator, producer, and host of the hit television program *Survivorman* transfers his decades of knowledge and experience to the pages of *Survive!*, a practical guide that gives everyday readers a no-nonsense look at the real world of survival.

Stroud offers readers the essential skills and tactics necessary to endure in any corner of the globe, along with a wealth of insider information born of his own experiences in the outdoors and unavailable in any other book. Readers will learn:

- How to make a survival shelter and why a lean-to is largely a waste of time.
- Why survival kits are important, and why you should make your own.
- Where to find water and why drinking contaminated water is sometimes warranted.
- How to locate and trap small animals and why the notion of tracking and hunting large game is largely a pipe dream.

Whether seasoned in the outdoor arts or new to adventuring, all readers will learn something from *Survive!*. Stroud's many colorful anecdotes and cut-to-the-chase philosophy not only make for an entertaining read, but also enhance anyone's ability to focus on the main goal when everything else has gone wrong—survival.
