The Lying Game Sara Shepard

I had a life anyone would kill for. Then someone did.

I may not remember much, but I know I led a charmed life. Even in death I'm getting something no one else does: an encore performance, thanks to Emma, the long-lost twin sister I never got to meet. Now, in order to figure out what happened to me, Emma needs to become me. But can she laugh at inside jokes with my best friends? Convince my boyfriend she's the girl he fell in love with? Hug my parents good night like she's their daughter? And can she keep up the charade even after she realizes my murderer is watching her every move?

Let the lying game begin.
