"I love you more than anything..."

Beatrice Hampton is struggling to adjust to life as the girlfriend of a handsome young billionaire. It should be easy, but when she lost her parents in her mid-teens, she lost a dearly loved piece of herself too and still can't shake that voice inside her head that tells her that her house of cards is going to come tumbling down at any moment.

This is the story of how she got that special part of herself back.

On a day that began without much promise, Bea's past and future come together unexpectedly. A beautiful memory from her youth and the love and support of Jeremy Holt give her the courage to rekindle her hopes and dreams.

From USA Today Best Selling Author Emma South comes a billionaire romance with real heart!
