BOOK #1: How To Knit: 50 Tips For Knitting for Beginners (With Photos)

This book is full of tips for those who are just learning how to knit. It is not a how to book but is designed so that you will learn the best tips and tricks to help you when you are learning to knit.

In this book you are going to:

- Get ten tips per chapter that will help you while you learn how to knit
- How to store your yarn so that it does not become tangled
- How to choose your yarn for your projects
- How to store your knitting needles so they do not get bent or lost
- How to store your knitting needles so they do not get bent or lost

At the end of each chapter one specific issue will be addressed in detail and you will be given several different solutions to the problems. There is no tip in this book that you will not be able to put to use. From learning how to not lose your stitches when you lay a project down to learning how you can use crochet to finish the seams of your projects there is something in this book for everyone.

BOOK #2: Quilting For Beginners: The Absolute Beginners Step by Step Guide to Learn Basic Quilting Techniques

If you have thought about quilting, but had no idea where to begin; you just found your starting point. This book is designed to get true beginners working on their first quilt and to get them to the end with a piece of work they are proud of. Every great crafter had to start at the beginning and learn through trial and error; this book can help you avoid the errors.

When you look at a gorgeous handmade quilt you think how difficult it must be and that you could never do that; yes you can! This book is designed for those that doubt themselves in the field of quilt making. The process can be time consuming, but, with this book it will be time well spent when you are showing off your beautiful new quilt.

In the book you are going to learn about the following:

- A little history about quilting and some fun facts
- The language of quilting for beginners
- The proper supplies every quilter should have on hand.
- Mistakes most common to quilters that can be avoided
- Step by step instructions on making your own quilt

BOOK #3: How to Crochet: Master the Crochet with Simple Methods and Easy to Follow Stitches and Tricks

Have you tried to find your way around developing your skills in crocheting and you are finding it difficult or you have probably not decided on adopting Crocheting as a skill. Whichever category you belong, here is the book you need. This book will definitely help you make up your mind. It is a comprehensive step-by-step guide that has been put together just for beginners. It is a great compilation for those who would like to learn this lovely skill. It provides a comprehensive step-by-step tutorial and guide into the process of developing this remarkable skill. For some people, they have so far been intimidated by the complex nature of the beautifully woven designs that they have seen made by top class designers. With this book, complex stitches and patterns are easily understood and learnt. The procedures in this book are easy to follow with the great simplicity adopted.

You will:

- Know and understand what Crocheting is all about
- Understand the types of Crochets
- Know the types of crotchet hooks
- Learn how to hold a crotchet hook
- Learn how crocheting evolved in history
- Know the types of crochets and how they are made
