## **Salesforce Handbook** Wes Nolte, Jeff Douglas

This book is not intended to be a deep-dive on security, programming, reporting, configuration, etc. but more of a high-level overview on salesforce.com, Force.com development, tools, methodology and other resources. We will not cover all aspects of salesforce.com. We wrote this book to (hopefully) become an invaluable resource for anyone new or inexperienced with the Force.com platform. For new administrators and developers coming on to the platform, we see a gaping hole in existing reference books. This book is not intended for end users or advanced developers. This book is for people somewhere in the middle; let's say a business analyst or a new Java or .NET developer. We would like this to be the first book you pick up after your boss walks in and says, "Let's take a look at salesforce.com and see if we can build some applications in the cloud". This book contains the information that we wish we had when we started developing applications on Force.com.

### **From reader reviews:**

#### **David Otten:**

The book Salesforce Handbook can give more knowledge and information about everything you want. Why must we leave the best thing like a book Salesforce Handbook? A few of you have a different opinion about publication. But one aim in which book can give many information for us. It is absolutely correct. Right now, try to closer with the book. Knowledge or info that you take for that, you are able to give for each other; you are able to share all of these. Book Salesforce Handbook has simple shape but you know: it has great and massive function for you. You can search the enormous world by available and read a guide. So it is very wonderful.

#### **Starr Place:**

Book is to be different for each and every grade. Book for children till adult are different content. To be sure that book is very important for all of us. The book Salesforce Handbook has been making you to know about other information and of course you can take more information. It is rather advantages for you. The reserve Salesforce Handbook is not only giving you a lot more new information but also to be your friend when you really feel bored. You can spend your spend time to read your reserve. Try to make relationship with the book Salesforce Handbook. You never experience lose out for everything if you read some books.

#### **Jennifer Bell:**

Here thing why this specific Salesforce Handbook are different and trustworthy to be yours. First of all examining a book is good nevertheless it depends in the content than it which is the content is as scrumptious as food or not. Salesforce Handbook giving you information deeper including different ways, you can find any book out there but there is no e-book that similar with Salesforce Handbook. It gives you thrill looking at journey, its open up your eyes about the thing that happened in the world which is maybe can be happened around you. You can actually bring everywhere like in playground, café, or even in your method home by train. If you are having difficulties in bringing the branded book maybe the form of Salesforce Handbook in e-book can be your substitute.

#### **Kenneth Connolly:**

In this era globalization it is important to someone to obtain information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, newspaper, book, and soon. You will see that now, a lot of publisher that print many kinds of book. Typically the book that recommended for you is Salesforce Handbook this e-book consist a lot of the information on the condition of this world now. That book was represented how do the world has grown up. The dialect styles that writer require to explain it is easy to understand. The particular writer made some research when he makes this book. That is why this book ideal all of you.
