Throwaway Heather Huffman

Jessie Jones is living the life--except for the fact that she earns it by working the streets. She's been under pimp Spence's thumb for fourteen years, and she isn't looking to change it. That is, until undercover cop Gabe walks into her life and offers her something she's never had before: a love, a future, a home. But even if Jessie could walk away from Spence, there are darker forces of evil who want her to stay put, or worse, dead. In this romantic suspense, author Heather Huffman delivers an adventure from the vibrant streets of St. Louis to the caves of the Ozarks as Jessie discovers whether she can love another, whether she can love herself, and whether any of it is enough.
