Murder, mystery, sex and magic. It's just another typical night under a crescent moon... New Orleans Police Detective Taylor Campbell has done his best to leave Xander Cooper alone. Years ago, he joined the Army to get away from the temptation of the younger man. But a series of murders around Xander's restaurant has Taylor running scared. And when he happens upon Xander holding off a group of thugs, his honour is forgotten. Xander Cooper fell in love with Taylor when he was a teen. Now an adult, he's waited and watched and hoped that Taylor would one day see him as more than a little kid meant to be avoided. He didn't expect murder to bring Taylor to his bed. For Xander, giving Taylor his heart is easy. Letting him in on the family secret is another thing all together. He didn't expect that Taylor would have secrets of his own. Secrets that make a little thing like Xander being a witch seem tame...
