**Basic College Mathematics, Books a la Carte Edition (4th Edition)** Elayn Martin-Gay

**This edition features the exact same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books à la Carte also offer a great value—this format costs significantly less than a new textbook.**

Elayn Martin-Gay firmly believes that every student can succeed, and her developmental math textbooks and video resources are motivated by this belief. **Basic College Mathematics, Fourth Edition** was written to help readers effectively make the transition from arithmetic to algebra. The new edition offers new resources like the **Student Organizer** and now includes **Student Resources** in the back of the book to help students on their quest for success.
