Devil In The Details II - The Art of Mastery - A Mentoring Trilogy: Volume II "Mastery Refined: The Issues - The Skills" (The Devil in the Details: the Art of Mastery) LT Morrison

The critical real life issues facing all Master-slave couples. Developing skills and a framework to solve the issues within the M/s dynamic, is the Art of Mastery. Volume II carries on where Volume I left off. Analyzing Conflict Resolution, to the Laugh Rule, the Twenty-Four Hour Rule, sustaining M/s structure with kids, and the role of Punishment, to the Bloopers of Mastery, Volume II has it all. Entertaining and funny, yet providing the detailed management tools needed to sustain a Master-slave relationship for a lifetime. All the issues Masters face are addressed with workable solutions. Tracing his thirty-year journey through the lifestyle, the author clarifies and demystifies mastery like never before in ways aspiring dominants can learn. It truly is a Masters mentoring series like no other. Even slaves will insist Masters read it. Extraordinarily informative, with in depth analysis of the BDSM continuum, it's joys and pitfalls, providing the theory and tools to live a power exchange relationship, happily over time. His understanding of the slave mind, the fundamentals of relationships and mostly his knowledge of power and its application is a must read for both slaves and masters alike. Everyone will learn from this. Hysterically funny, wildly erotic and as entertaining a read as there is. The anecdotal "mindfucks" he shares are sometimes breathtaking, deeply poignant, often hilarious and always providing a unique view into the world of sustainable and healthy BDSM. But it is the explanation of what happens inside a master slave relationship and the detailed look at the issues, why they occur, what they mean and most importantly how to address them that elevates these books in the genre. Written magically, without an air of condescension, with expertise and authority, yet he makes no claims to a definitive path on anything more than his own life. A must read for anyone considering a relationship of Master-slavery. This is a resource long needed in the BDSM community.
