Hedge funds now account for 25 percent of all NYSE trading volume and are one of the fastest growing sectors in today's financial industry. *Managing a Hedge Fund* examines every significant issue facing a hedge fund manager, from management of numerous types of risk to due diligence requirements, use of arbitrage and other exotic activities, and more. Broad-based where most hedge fund books are narrowly focused, it provides current and potential managers with a concise but comprehensive treatment on managing—and maximizing—a hedge fund in today's fiercely competitive investing arena.
