Shelby wants to break away from the mold of her small town and make a name for herself in the big-city journalism world. While skiing, she meets mysterious stranger Hakim who is actually the prince of the Middle Eastern kingdom of Khali-dar. When his enemies learn of Hakim's connection to an American girl, they target Shelby. Fleeing to the safety of Khali-dar, Shelby falls deeper in love not only with the prince, but with his country. As she struggles to survive terrorist attacks, withstand the Sheik's prejudice, and find her place in a world she doesn't understand, she must choose which life she is willing to sacrifice—the comfortable one she has worked so hard to create, or the one with the man she loves.
