Do you think you have what it takes to be a Major League umpire? Well, now you can test your knowledge of the game with Wayne Stewart's *You're the Umpire*.

Divided into three sections, this unusual handbook, now in its second edition, offers "Routine Calls," which deal with scenarios and rules that typically come up in games and deal with clear cut rules—fair and foul, strike zone questions, and the like. The next section, "Basic Situations," deals with umpiring matters and rules that are just a bit more unusual or, for the casual fan, obscure. Interference and obstruction calls, for example, don't come up too often, but they remain standard stuff involving rules that umps and many fans know quite well. In the final section, "Obscure Rules and Situations," you will be presented with what many baseball people call "knotty" problems. Here, you will be asked questions involving the complex infield fly rule and other arcane matters. This section, then, is the ultimate test of your umpiring skills and knowledge.

*Most of the situations in You're the Umpire come from real games, but some scenarios are made up to illustrate specific points or rules. Test yourself against your friends or against the famously iconic baseball rulebook. It's a challenge and it's fun.*

*Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team.*

*Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.*
