## At Hawthorn Time Melissa Harrison

It is dawn on a May morning. On a long, straight Roman road between two sleeping fields, a car slows as it arrives at the scene of an accident. As the lives of four people coalesce, we realize that mysterious layers of history are not only buried within them but also locked into the landscape.

A captivating novel of immense clarity, *At Hawthorn Time* is about identity, consumerism, changing boundaries and our own long, straight path into the unknown.
