Shining Through Susan Isaacs

"Laced with heartbreak, drama and thrills...Marvelously readable."

THE PHILADELPHIA INQUIRER

It's 1940 and Linda Voss, secretary extraordinaire, has a secret: she's in love with her boss, John Berringer, the pride of the Ivy League. Not that he'd take a second look at her, a German-Jewish girl from Queens who spends her time caring for her faded beauty of a mother, and following the news of the war that is engulfing Europe.

How Linda wins and loses her man, puts her life on the line for her beliefs, and finally gets the man she deserved all along is the story that only Susan Isaacs, author of the acclaimed bestseller MAGIC HOUR, can tell.

From the Paperback edition.

From reader reviews:

William Perez:

What do you consider book? It is just for students because they are still students or the idea for all people in the world, exactly what the best subject for that? Simply you can be answered for that issue above. Every person has distinct personality and hobby for every single other. Don't to be compelled someone or something that they don't wish do that. You must know how great as well as important the book Shining Through. All type of book could you see on many sources. You can look for the internet resources or other social media.

Nola Schroeder:

In this 21st one hundred year, people become competitive in every single way. By being competitive at this point, people have do something to make all of them survives, being in the middle of often the crowded place and notice by surrounding. One thing that at times many people have underestimated it for a while is reading. Yep, by reading a reserve your ability to survive raise then having chance to stay than other is high. For yourself who want to start reading a new book, we give you this specific Shining Through book as basic and daily reading reserve. Why, because this book is greater than just a book.

Clyde Connell:

Playing with family inside a park, coming to see the marine world or hanging out with pals is thing that usually you will have done when you have spare time, and then why you don't try thing that really opposite from that. One activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Shining Through, it is possible to enjoy both. It is good combination right, you still wish to miss it? What kind of hang type is it? Oh can happen its mind hangout men. What? Still don't understand it, oh come on its named reading friends.

Tara Payton:

Don't be worry should you be afraid that this book may filled the space in your house, you can have it in e-book means, more simple and reachable. That Shining Through can give you a lot of friends because by you looking at this one book you have point that they don't and make anyone more like an interesting person. This specific book can be one of one step for you to get success. This e-book offer you information that perhaps your friend doesn't realize, by knowing more than additional make you to be great individuals. So , why hesitate? We need to have Shining Through.
