The Love God W.A.Y.: Love God With All Your Everything Andy Warren

If you can do it, love God by doing it. If you can say it, love God when and how and why you say it. If you can think it, love God with every thought of it. The Love God W.A.Y. is about taking up the challenge to love God With All Your heart, and With All Your soul, and With All Your mind and With All Your Might. When you understand this, you are by default also clearly challenged to love God: With All Your personal being With All Your words With All Your feelings With All Your behavior With All Your relationships With All Your possessions With All Your resolve and With All Your anything and everything. If you have anything to do with it or it has anything to do with you, Love God with it. Let nothing else be above that love, or interfere with that love, or confuse that love. If you had all eternity to demonstrate your love for God, how would you do it? Would you love God With All Your passion? In this finite world where you have beginnings and ends, I encourage you to love God With All Your time. Maybe you have not done so well with this in the past, but you can love God With All Your future. That is the Love God W.A.Y. challenge. I hope you will take up the challenge with me.
