The Supreme Identity

Alan W. Watts

The Supreme Identity Alan W. Watts

Modern Civilization, Watts maintains, is in a state of chaos because its spiritual leadership has lost effective knowledge of man's true nature. Neither philosophy nor religion today gives us the consciousness that at the deepest center of our being exists an eternal reality, which in the West is called God. Yet only from this realization come the serenity and spiritual power necessary for a stable and creative society.

One of the most influential of Alan Watts's early works, *The Supreme Identity* examines the reality of civilization's deteriorated spiritual state and offers solutions through a rigorous theological discussion on Eastern metaphysics and the Christian religion. By examining the minute details of theological issues, Watts challenges readers to reassess the essences of religions that before seemed so familiar and to perceive Vedantic "oneness" as a meeting ground of all things – "good" and "evil." In addressing how religious institutions fail to provide the wisdom or power necessary to cope with the modern condition, Watts confidently seeks the truth of the human existence and the divine continuum.

In this eye-opening account of "metaphysical blindness" in the West, Watts accents this dense exploration of religious philosophy with wry wit that will engage inquiring minds in search of spiritual power and wisdom.

From reader reviews:

Michael Garcia:

Information is provisions for folks to get better life, information currently can get by anyone with everywhere. The information can be a information or any news even a huge concern. What people must be consider if those information which is inside former life are difficult to be find than now is taking seriously which one is suitable to believe or which one the particular resource are convinced. If you receive the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All of those possibilities will not happen with you if you take The Supreme Identity as the daily resource information.

Anne Hernandez:

In this period of time globalization it is important to someone to receive information. The information will make a professional understand the condition of the world. The fitness of the world makes the information much easier to share. You can find a lot of sources to get information example: internet, magazine, book, and soon. You can observe that now, a lot of publisher which print many kinds of book. Typically the book that recommended to you personally is The Supreme Identity this publication consist a lot of the information on the condition of this world now. This particular book was represented how can the world has grown up. The vocabulary styles that writer use to explain it is easy to understand. Typically the writer made some investigation when he makes this book. Here is why this book acceptable all of you.

Joe Dix:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book has been rare? Why so many question for the book? But any people feel that they enjoy regarding reading. Some people likes examining, not only science book but also novel and The Supreme Identity or others sources were given understanding for you. After you know how the truly great a book, you feel desire to read more and more. Science publication was created for teacher or maybe students especially. Those ebooks are helping them to put their knowledge. In other case, beside science e-book, any other book likes The Supreme Identity to make your spare time a lot more colorful. Many types of book like this one.

Jenny Perez:

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Supreme Identity can make you feel more interested to read.
