Daniel rested his chin on her shoulder, his slight stubble tickling her neck.

Ruby is just out of college, and new to the little town of Odessa, Texas. She spends her days writing fluff pieces and flirting with the handsome county Sheriff, Jim Bullock.

But when a teenage girl goes missing, the trail leads Ruby right to reclusive billionaire Daniel Blanton - and then right into his bed.

Not only does he have a secret gay history with Sheriff Jim, he might know more than he's telling about the missing girl - and the revelations will rock all three of them.

West Texas Passion is a standalone, **steamy** romance between two men and one woman - so curl up and get ready!

Excerpt:

"How much longer is your shift?" Daniel asked.

Jim paused. "It's over," he said. "But I gotta get to bed, big day tomorrow."

"You're here for a call," Daniel said. His hand on Zoe tightened. "No one will know."

"I'm the Sheriff, goddammit," said Jim.

Zoe wasn't quite sure what was going on. Was she getting ditched for Daniel's old lover, after she'd driven all the way out here?

Jim was looking from Daniel to Zoe and back, clearly hesitant. Daniel took a step forward, then another step, and then he was right in front of Jim, the two men standing eye to eye, powerful chests and shoulders inches apart.

"Just this once," said Daniel. He traced one finger down Jim's uniform, over each button.
