**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

## Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

## Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

## Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

**Deviant Behavior *challenges students' own biases and preconceptions.***

This best-selling text offers comprehensive coverage of all aspects of deviance and is noted for its blend of style and substance. *Deviant Behavior* covers a wide spectrum of theories of deviance, and analyzes numerous specific deviant behaviors. The author uses an abundance of research data, including many that debunk our common assumptions about deviant behavior. Students are exposed to the full range of theories and data about deviance, and are challenged to think about and evaluate their own biases and preconceptions.

## Learning Goals

Upon completing this book, readers will be able to:

- Analyze numerous types of deviant behavior.
- Challenge their own biases and preconceptions on deviant behavior.
- Make connections between behavioral theories and concrete deviances.
- Develop new ways of seeing and understanding chapter material through critical thinking questions.
