Edward Weinman

Snowblind (66 Degrees North Book 2) Edward Weinman

Iceland was once the pride of Europe—a strong economy, beautiful people, supposedly one of the happiest nations on Earth. Then it went bankrupt. *Snowblind* examines Iceland at exactly this moment, detailing what happens when a drug deal turns sour. At the heart of the novel lies the fragile relationship between Jón, a morally confused banker, and his estranged brother Palli. As winter suffocates them with 20 hours of darkness, the brothers find themselves on the run from Gummi, Iceland's only true homicide detective. As they crisscross Iceland, the torturous chase unearths a bewitching country, unforgiving terrain and spiritual darkness that leads to murder.
