## **Something Unseen** Stephen Hill

Stephen Hill takes you on a spine tingling journey into the mysteries of the afterlife and what awaits us on the other side. A mysterious voice captured on the audio of his camcorder during a local cemetery visit causes him to question his perception of reality, religion and even his own sanity. These questions lead him back to the cemetery in an attempt to find answers to mysteries that he cannot comprehend. He soon realizes that something has followed him home from the graveyard, something that wants to make its presence known. Yes, Something Unseen! This gripping tale of one man's journey into the other side will keep you on the edge of your seat. Stephen Hill went into the graveyard that day to do a little genealogical research. He walked away with more than he bargained for. What happens when we die? Is that it, or is there more? After reading this book you may never look at the afterlife the same again! This book may haunt you...so don't read it alone!
