The Pastor's Wife was Condemned...She had committed Adultery and was banished from her home, her husband, her children and her church...

Would God banish her too?

That Was My Broken, Shamed, and Alone Moment—What's yours?

Once the movers had driven away, and I was left all alone in the emptiness of my new, lifeless post-divorce rent house, I was forced to “be still.” This was my “moment.” Broken, shamed and alone.

What was yours? You know—that moment when you finally realized the destructive path you were on and the full weight of your sin. Maybe you haven't had it yet. Or maybe it's now. In that moment, all you can do is “be still” because you have no idea what to do. In that moment, you would do anything to take it all back. But, you can't.

Believing it's too late for you? Whatever your failure or sin, however you've been broken, in this book, Beautifully Broken, author Traci Smith shares how you can find your way back to forgiveness, beauty, and moving forward with your life—restored. Let this book be the roadmap to your journey back....

Traci Smith has a heart for women, especially those who are broken and shamed. Through her own honest story of brokenness to beauty, women are being restored. She is an author, mentor, speaker and coach to thousands of women nationwide. Traci, her husband and their three sons make their home in College Station, Texas.
