Four Friends. Four Different Paths. One Unwavering Friendship.

Two decades of love, laughter, promises, and secrets hold together four friends pursuing different paths in life.

Jax always lived on the edge, skating through life with no apparent ambition, yet remained the energy and emotional cement of the group. She longs to be accepted.

Sage, career-driven, has always followed a carefully laid out plan for her future. But one look at the sexy ex-con staying on her friend's sofa has her questioning everything.

Emily, the college drop-out, has three children that are her whole life. She's slowly lost herself, subconsciously seeking dangerous ways to cope.

Ned yearns to stand up and be counted. But his new feelings for one of the girls has him pulled in different directions.

These four friends will test the ties that have held them together for so long, and in the process unveil truths about themselves they never knew existed.
