**Fever** Lucia Jordan

Here is the first book in the 'Fever' Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion and emotion.

*As Selena's fantasies become reality, the price of pleasure is complete submission...*

Darius Gaspari has always been out of reach. Selena knows she doesn't have a chance with a man as gorgeous and charismatic as her co-worker. Watching him from afar and fantasizing about what could never be is the most she could do to satisfy her longing. That is until a new neighbor moves next door and neglects to put curtains in his bathroom window.

Selena doesn't mean to peek but can't stop herself – just the sight of the mystery man's muscled physique in the shower has her aching with lust. Although she knows it's wrong, she just can't stop herself enjoying the show he puts on everyday. But little does Selena know this man may not be as mysterious as she first thought. And when he finally confronts her after getting caught, what is revealed about him will turn Selena's world upside down.

Only mature readers should download this book.
