Have Fun And Learn Amazing Crochet Patterns in 7 Days

Making something on my own always makes me feel proud of myself. And I believe this is how most people feel too once they finish their projects. Although crocheting may sound like something that your granny would do in her pastime, it has become pretty popular nowadays because this technique can be used to create some gorgeous items that will perfectly fit your style.

Both beginners and those who are already into crocheting may find this book worth reading. You, beginners, will learn the basics of the tools you will use for these projects. Plus, you will be given the instructions on how to do some simple practice to get comfortable with controlling the yarn and working with the hook. Don't worry; there are no all those complex patterns that you will need hours to decipher.

Those who are already familiar with crocheting can go straight to the projects and make some amazing stuff such as shawls, roses, fingerless gloves, and even monsters. Also, you can always get some inspiration from the projects presented here or experiment with stitches to make the patterns more challenging.

In this book, you will learn how to make:

- Crochet Leg Warmers
- Triangle Shawl
- Crocheted Monsters
- Crochet Roses
- Puffy Fingerless Gloves
