A Killing on Wall Street: An Investment Mystery Derrick Niederman

PRAISE FOR A Killing on Wall Street "Derrick Niederman brings special qualities to his novel: He is funny, smart, and imparts to A Killing on Wall Street a wicked, jaundiced eye and an insider's ability to both educate and amuse." -John Spooner investment advisor and bestselling author of Confessions of a Stockbroker "Derrick Niederman's A Killing on Wall Street is at the same time an absorbing whodunit and a textbook for Investment Finance 101, written with witty dialogue, and not without puns, anagrams, and one or two references that escaped this reader who remembers 1929." -Charles P. Kindleberger Ford International Professor of Economics, MIT Emeritus; author of Manias, Panics and Crashes: A History of Financial Crises "A Killing on Wall Street grabs you from page one and won't let you go until the final word. Intrigue, insight, and passion combine for a rocketship read. If Derrick Niederman were a stock, I'd be buying." -Keith Ablow author of Denial and Projection
