## **Life Magazine, January 3, 1938** Life Magazine Staff Writers

Life magazine is one of the world's most recognizable publications. From 1936 to 1972 the weekly publication of Life served as the nation's foremost authority on cultural trends and the state of the American experience. It ceased publication until 1978, when it returned as a monthly until the year 2000. Since then Life has returned as a weekly, published in 70 newspapers across the nation. The company is also well-known for its many books on photography, writing and, in conjunction with Time, many self-help and 'how to' volumes. Life magazine continues to be one of the most important publications in the country, both for its current issues as well as its back catalog. Researchers, designers, and the simply curious use Life magazine as a reference for style, trends, celebrity news, as well as the award-winning photography that first made the publication famous. By now there is hardly anybody in the United States who isn't familiar with both the logo (white lettering on a red rectangle) as well any number of photographs first published in the magazine, like the famous V-Day kiss in Times Square. Life magazine is dedicated to continuing its place in American publication history, and back issues of the magazine can fetch considerable figures if in good condition. The magazine has gone from being simply another magazine to a sought-after collectible. Collections of Life magazine are often found at auction. Where Life will go in the future is unknown, but its resiliency has proven to be formidable, and most experts agree that Life will remain an iconic, growing force in American culture for years to come.

### From reader reviews:

#### **Beverly Barber:**

What do you think about book? It is just for students because they are still students or it for all people in the world, the particular best subject for that? Merely you can be answered for that concern above. Every person has different personality and hobby for every single other. Don't to be obligated someone or something that they don't want do that. You must know how great and important the book Life Magazine, January 3, 1938. All type of book is it possible to see on many resources. You can look for the internet options or other social media.

#### **Michael Beebe:**

Why? Because this Life Magazine, January 3, 1938 is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will shock you with the secret the idea inside. Reading this book next to it was fantastic author who all write the book in such wonderful way makes the content inside of easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of advantages than the other book have such as help improving your talent and your critical thinking approach. So , still want to delay having that book? If I ended up you I will go to the book store hurriedly.

#### **Aida Zambrana:**

As a student exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's internal or real their interest. They just do what the teacher want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Life Magazine, January 3, 1938 can make you really feel more interested to read.

#### **Terry Hollis:**

Reading a reserve make you to get more knowledge from this. You can take knowledge and information from a book. Book is published or printed or highlighted from each source in which filled update of news. Within this modern era like right now, many ways to get information are available for you actually. From media social including newspaper, magazines, science guide, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to open your book? Or just trying to find the Life Magazine, January 3, 1938 when you necessary it?
