Brent Jenson is feeling the after-effects of his alpha's decree. Now that the bear shifters can marry whomever they please, he's working double time to keep the peace. Billionaire, powerful, and drop-dead sexy, he should have been living the good life. Instead, he was facing the most embarrassing moment of his career.

Someone has tunneled their way onto the shifter territory, and all the evidence points to **Tara Schmidt**.

The only problem is that Tara Schmidt has no reason to want to be in the bear's territory. She's human and simply struggling to make ends meet bar-tending and being a waitress at a dive bar. She has no connection to the pack whatsoever.

But there's something about her that Brent can't shake. So instead of letting her go, he pulls her deeper into the mystery. And though he pretends it's about the case, he can't deny the chemistry between them. He wants Tara Schmidt, whether she's guilty or not.

Tara's struggling to make sense of her new world. Sexy shifter Brent Jenson is keeping close tabs on her, and she'd be lying if she didn't admit that it gave her a few thrills. But as she learns more about how their world works, she realizes she's in the middle of a brewing war.

But nobody knew who was on the other side.

As Brent and Tara struggle to discover her place in the mystery, their desire and the danger only increase. Can Tara convince Brent that she's innocent before the other side silences her for good?
