Be Careful What You Wish For:: A Cuckold's Story J.W. McKenna

Rick Smith has a fantasy of seeing his wife with another man. Liz Smith dreams of being with a black man. They never speak of their desires for the first six years of their marriage, afraid of what the other might think. But their marriage has grown stale. Rick thinks he is to blame – he can't satisfy his wife in bed. He finds relief in cuckold fantasies online while his wife sleeps. One fateful night, they confess their secret desires. Liz is content to let her fantasy remain just that, but Rick decides to find her the man of her dreams – and he has just the guy in mind: A handsome African-American named Darrell who used to work for his company. Liz allows herself to be talked into meeting him, outwardly cool but secretly excited. Sparks fly between Liz and Darrell. Rick just observes, the cuckold in him enjoying the show. Liz and Darrell make love – and everything changes. Liz finds the sex more powerful than anything else she has experienced in her life. Rick gets off on watching – and the jealousy and inadequacy he feels. But Darrell isn't a prop; he's not content to be at Rick's beck and call. He decides to take advantage of the power he holds over Liz – and she's helpless to stop him. Rick finds his cuckold hobby becomes a lifestyle, one that he's not sure he can escape from. Nor is he sure if he wants to. A rich tale of love, lust, chastity and acceptance.
