Stoneman's Raid, 1865 Chris J. Hartley

Winner of the 2011 Willie Parker Peace Prize from the N.C. Society of Historians, and Finalist for the Ben Franklin Award in History. In the spring of 1865, Federal major general George Stoneman launched a cavalry raid deep into the heart of the Confederacy. Over the next two months, Stoneman's cavalry rode across six Southern states, fighting fierce skirmishes and destroying supplies and facilities. When the raid finally ended, Stoneman's troopers had brought the Civil War home to dozens of communities that had not seen it up close before. In the process, the cavalymen pulled off one of the longest cavalry raids in U.S. military history.

Despite its geographic scope, Stoneman's 1865 raid failed in its primary goal of helping to end the war. Instead, the destruction the raiders left behind slowed postwar recovery in the areas it touched. In their wake, the raiders left a legacy that resonates to this day, even in modern popular music such as The Band's "The Night They Drove Old Dixie Down."

Based on exhaustive research in 34 repositories in 12 states and from more than 200 books and newspapers, Hartley's book tells the complete story of Stoneman's 1865 raid for the first time.
