**Wolf Hall & Bring Up the Bodies PBS Masterpiece E-Book Bundle** Hilary Mantel

**Winners of the Man Booker Prize and hugely successful stage plays in London's West End and on Broadway, *Wolf Hall* and *Bring Up the Bodies* bring history to life for a whole new audience having now been adapted into a six-part television series by the BBC and PBS Masterpiece.**

Hilary Mantel's Thomas Cromwell novels are the most formidable literary achievements of recent times. *Wolf Hall* begins in England in 1527. England is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years and marry Anne Boleyn. The pope and most of Europe oppose him. Into this impasse steps Thomas Cromwell: a wholly original man, a charmer and a bully, both idealist and opportunist, master of deadly intrigue, and implacable in his ambition.

*Bring Up the Bodies* unlocks the darkly glittering court of Henry VIII, where Thomas Cromwell is now chief minister. Henry is disenchanted with Anne Boleyn and has fixed his eye on the demure Jane Seymour. Anne has failed to give England an heir and rumors of her infidelity creep through the court. Over a few terrifying weeks, to dislodge her from her throne, Cromwell ensnares Anne in a web of conspiracy—acting to save his life, serve his king and secure his position. But from the bloody theater of the queen's final days, no one will emerge unscathed.
