A Concise Survey of Western Civilization: Supremacies and Diversities throughout History

Brian A. Pavlac

A Concise Survey of Western Civilization: Supremacies and Diversities throughout History Brian A. Pavlac

This lively text offers a brief, readable description of our common Western heritage. Providing a tightly focused narrative and interpretive structure, Brian A. Pavlac covers the basic historical information that all educated adults should know. His joined terms “supremacies and diversities” develop major themes of conflict and creativity throughout history. “Supremacies” centers on the use of power to dominate societies, ranging from warfare to ideologies. Supremacy seeks stability, order, and incorporation. “Diversities” encompasses the creative impulse that produces new ideas, as well as the efforts of groups of people to define themselves as “different.” Diversity creates change, opportunity, and individuality.

These themes of historical tension and change—whether applied to political, economic, technological, social, or cultural trends—offer a bridging explanatory organization. The text is also informed by five topical themes: technological innovation, migration and conquest, political and economic decision making, church and state, and disputes about the meaning of life. Throughout, judicious “basic principles” present summaries of historical realities and primary source projects offer students the chance to evaluate differing points of view about the past. Written with flair, this easily accessible yet deeply knowledgeable text provides all the essentials for courses on Western Civilization.

May be it can be best activity to you.

Monique Hightower:

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the educator want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful pics on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach

Chinese's country. Therefore , this A Concise Survey of Western Civilization: Supremacies and Diversities throughout History can make you feel more interested to read.
