*Build Your Own Website* is a fun, illustrated introduction to the basics of creating a website. Join Kim and her little dog Tofu as she learns HTML, the language of web pages, and CSS, the language used to style web pages, from the Web Guru and Glinda, the Good Witch of CSS.

Once she figures out the basics, Kim travels to WordPress City to build her first website, with Wendy, the WordPress Maven, at her side. They take control of WordPressÃ‚Â® themes, install useful plugins, and more.

As you follow along, you'll learn how to:

- Use HTML tags
- Make your site shine with CSS
- Customize WordPress to fit your needs
- Choose a company to host your site and get advice on picking a good domain name

The patient, step-by-step advice you'll find in *Build Your Own Website* will help you get your website up and running in no time. Stop dreaming of your perfect website and start making it!
