Glue

Irvine Welsh

Glue Irvine Welsh

An epic novel about the bonds of friendship from the author of *Trainspotting*.

The story of four boys growing up in the Edinburgh projects, *Glue* is about the loyalties, the experiences, and the secrets that hold friends together through three decades. The boys become men: Juice Terry, the work-shy fanny-merchant, with corkscrew curls and sticky fingers; Billy the boxer, driven, controlled, playing to his strengths; Carl, the Milky Bar Kid, drifting along to his own soundtrack; and the doomed Gally, exceedingly thin-skinned and vulnerable to catastrophe at every turn. We follow their lives from the seventies into the new century—from punk to techno, from speed to E. Their mutual loyalty is fused in street morality: Back up your mates, don't hit women, and, most important, never snitch—on anyone. *Glue* has the Irvine Welsh trademarks—crackling dialogue, scabrous set pieces, and black, black humor—but it is also a grown-up book about growing up—about the way we live our lives, and what happens to us when things become unstuck. "Stocked with his usual quirky, sympathetic characters, this rollicking new tale sparkles with the writer's trademark satiric wit. Its heft and narrative breadth should convince any remaining skeptics that Welsh—now effectively the grand old man of in-your-face Scottish fiction—is a writer to be taken seriously."—*Publishers Weekly* starred review

From reader reviews:

Todd Jacobs:

With other case, little people like to read book Glue. You can choose the best book if you want reading a book. Provided that we know about how is important a new book Glue. You can add know-how and of course you can around the world with a book. Absolutely right, since from book you can know everything! From your country till foreign or abroad you will be known. About simple thing until wonderful thing you can know that. In this era, we can easily open a book or perhaps searching by internet system. It is called e-book. You need to use it when you feel bored to go to the library. Let's study.

Garland Thorpe:

The book Glue gives you the sense of being enjoy for your spare time. You can use to make your capable considerably more increase. Book can being your best friend when you getting stress or having big problem using your subject. If you can make studying a book Glue to be your habit, you can get a lot more advantages, like add your own capable, increase your knowledge about many or all subjects. You can know everything if you like open and read a reserve Glue. Kinds of book are several. It means that, science book or encyclopedia or other folks. So , how do you think about this e-book?

Ann Walsh:

Nowadays reading books be a little more than want or need but also be a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book this improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want get more knowledge just go with schooling books but if you want feel happy read one along with theme for entertaining for example comic or novel. The particular Glue is kind of book which is giving the reader unpredictable experience.

Willie Briggs:

This Glue is great book for you because the content that is certainly full of information for you who have always deal with world and get to make decision every minute. This specific book reveal it facts accurately using great manage word or we can point out no rambling sentences inside. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but hard core information with splendid delivering sentences. Having Glue in your hand like having the world in your arm, facts in it is not ridiculous a single. We can say that no book that offer you world in ten or fifteen tiny right but this reserve already do that. So , this really is good reading book. Hey Mr. and Mrs. busy do you still doubt that?
