## **Blue Plague: The Fall (Blue Plague Book 1)** Thomas A. Watson

The Preppers were right. And the time is now. The Blue Plague came roaring out of the Congo and into the United States—and it can't be stopped. The Infected become violently insane and impossibly strong. They're not zombies – that would be too easy. They're something much worse. The Infected are violent and unstoppable, but they can think. They can heal from most wounds. And worst of all—they can reproduce.

Bruce, Debbie, Mike and Nancy have been preparing for the worst for years. There's nothing to do but bug out—and they know exactly where to go. In the struggle to reach the sanctuary of their farm, they confront thousands of The Infected—but they also make invaluable new friends along the way. And they kick the hell out of the Infected and the equally dangerous marauders who are willing to murder anyone in their way.

Join Bruce, Mike, and their newfound friends as they battle their way across Infected Louisiana, doing what needs to be done to reach the sanctuary of their farm. Blue Plague: The Fall is a survivalist adventure filled with courage and betrayal, tragedy and hope.
