I'm such a lucky woman. I can't believe what an exotic vacation this is, my husband and I lounging around at a resort, unwinding with a much-needed and well-deserved break from all our hard work. In many ways, this is like a second honeymoon for the two of us, and we've wound up becoming freaky and amorous multiple times throughout the course of the week. I simply can't get enough of him, and although I do get a bit of a wandering eye for a member of the resort staff, I feel as happy as can be just being able to have fun with my husband for the first time in a while.

Things take quite the unexpected turn, however, when the two of us go to a couple's massage, and an interracial menage with our two attractive masseuses is proposed. This is going to be a vacation to remember...
