The Bubble Gum Machine Lauren Tom

The Bubble Gum Machine was conceived and first written several years ago by actress Lauren Tom. At its creation, the story was a commentary on diversity, but its overall statement seems to resonate even louder today. Ms. Tom now has two young sons growing up in a world where understanding and respect amongst differing peoples is key. The world itself is smaller and, in it, our awareness of one another is heightened. The Bubble Gum Machine presents this perspective to young readers whose minds and concepts of the world are yet formative. The entertaining – and colorful! – tale offers a rare chance for provocative thinking for new generations.
