When twenty-five-year-old Kayla Lourcy boards a spaceship with her late father's colleague, Patrick McDowell, she is glad to leave Earth and its political squabbles far behind. But when she awakens from cryo-sleep on the planet Draco, she is shocked to learn that the planet has undergone major changes. The government in power on Draco has adopted laws that require women to live under the care of either a husband or a guardian, and since she is not married, she will be assigned a guardian.

Kayla is not the type of woman to be easily controlled, and she jumps at the chance to organize a rebellion, but she is immediately thwarted and then firmly chastised. Afterwards, Patrick informs her that he will be stepping in to act as her guardian, and he will be employing a unique form of discipline Draco reserves for the most stubborn of women. Kayla will be treated like a naughty little girl, and any further unruly behavior will result in punishments far more humiliating than just a spanking.

Not truly believing that Patrick will implement his plan, Kayla defies him, and to her horror he bares her bottom, spanks her soundly, and then puts her in a diaper. But soon enough, when she's seated at Patrick's feet, coloring, with her new stuffed bear nearby, her thoughts about her place on Draco begin to change. As she grows closer to Patrick, will she be able to make the best of her situation and accept her guardian's love and care?

Publisher's Note: Assigned a Guardian is an erotic novel that includes spankings, sexual scenes, age play, diaper play, medical play, elements of BDSM, and more. If such material offends you, please don't buy this book.
