Book One - Alpha and Omega series

Can be read as a standalone

Marly Miles has been happy in his life as a lone Omega wolf, living and working among the humans of Orlando, Florida. When an attack on him and his friend brings Marly to the notice of the Sergeant of Arms of the Epitaph's Motorcycle Club, he realizes immediately that the man carries the same scent as his attackers. Not a very good start when the same man is also his mate.

Alpha wolf, Trent Beaumont has spent a lot of years living as a human when he walked away from his home pack. Forced to live as a straight man, because of the Epitaph's club culture, he walks away from Marly after checking the man is safe. But no wolf, not even an Alpha, can refuse the mating call from the Fates. But with his club President looking over his shoulder, and a woman panting after him to share his bed, Trent isn't sure it will ever be the right time to claim his own Omega.

Fights, misunderstandings and a lack of communication aren't the only problems Trent and Marly face. Trent has a history that has clouded his judgment and when Marly gets attacked again, Trent realizes he could lose his mate permanently, if he doesn't get his head out of the sand.

Warning: Contains one hot biker, a beautiful twink with a sassy mouth, and a ton of misunderstandings. Graphic m/m sex, violence and strong language.
