The Recruiter: A Chuck Brandt Thriller (The Brandt Series Book 1) Roger Weston

"The master of assassin novels, Vince Flynn, now has serious competition." Librarian review for The Golden Catch

Overview of The Recruiter:

Making amends for his horrible past...betrayed by his employer...torn from the woman he loves...spy recruiter Chuck Brandt is down, but not out. Now he will have to recruit the only man alive that can help him - the man he used to be.

Nobody in the Woodlawn neighborhood of Birmingham, Alabama knew who Chuck Brandt really was. All they knew was that he rented apartments to immigrants. What they didn't know was that he was a recruiter of spies, that he was a legendary ex-assassin trying to start over and live honestly. His employer, a top secret government intelligence agency knew the truth. They should have known better than to target him. They should have left him alone.
