From Author:

Do you ever wonder how to teach your little ones to learn simple bhajans?

Kids love to read and what would be more fun than an eBook on the go. Simple to read that they can recite in the car, home anywhere.

My seven year old grandson was always interested in learning bhajans but just could not memorize them while I was reciting. One day he asked me "I wish I could read this in English". Avi (my grandson) being a biggest weakness inspired me to publish this book. I started writing simple bhajans for him in English and we sang them together. Within weeks he started learning them very fast. I am so proud and happy to give this part of me to him. I hope some of your kids can learn these simple bhajans and recite with you.
