The Journal Of Sanctuary One (Volume 6) RJ Scott

When a snowstorm stops his friends from joining him at Sanctuary One for Christmas, Jake ends up alone. Sean has only one place to go. The original Sanctuary cabin high in the mountains. Neither man is prepared for the secrets that threaten to destroy Sanctuary.

Jake spends every Christmas at Sanctuary One. With the third anniversary of the day his dad died approaching, he arranges for Kayden, Beckett, and himself to meet at the cabin a few days before Christmas. A snowstorm blocks his friends in NY, and Jake ends up alone.

Sean is being hunted and the only place he can run to is somewhere mentioned in an old journal. The original Sanctuary cabin. It is no longer in official use but it would be a good place to heal and take stock of just what is going on with his life.

Neither man is prepared for being stuck together for an entire week, nor for the culmination of a case that threatens to get them killed.
