Todd

Adam J Nicolai

Todd Adam J Nicolai

Without warning on a sunny June afternoon, all life on Earth vanishes. Reeling and alone in the aftermath, Alan and his son Todd scrounge through the ruins of civilization to survive.

Finding food and water is easy. Electric power is harder. But Alan has his own search, one he tries to hide from his son: after a lifelong struggle with depression, his scarcest resource now is a reason to keep living.

Through wildfires and tornadoes, as the deadly cold of a Minnesota winter draws closer, the two ask questions that may never be answered. Why did this happen? Why were they spared? They don't realize that behind the empty sky, the entity that did this still watches.

Or that its plans have only begun.

"Fans of Nicolai's excellent emotional thriller, *Alex*, will be enthralled with the world he's created here. Scary, heartfelt, and brimming with pathos, *Todd* is a story that grabs hold of you and doesn't let go." -**Joe Hart**, author of *The River Is Dark* and *The Last Girl*.

From reader reviews:

Warren Damron:

Playing with family in a park, coming to see the sea world or hanging out with pals is thing that usually you might have done when you have spare time, subsequently why you don't try point that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Todd, you may enjoy both. It is very good combination right, you still want to miss it? What kind of hang type is it? Oh can occur its mind hangout people. What? Still don't buy it, oh come on its named reading friends.

Margaret Coleman:

Do you really one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Try to pick one book that you just dont know the inside because don't determine book by its include may doesn't work at this point is difficult job because you are afraid that the inside maybe not since fantastic as in the outside appearance likes. Maybe you answer can be Todd why because the excellent cover that make you consider about the content will not disappoint anyone. The inside or content will be fantastic as the outside or perhaps cover. Your reading sixth sense will directly guide you to pick up this book.

Clarence Cobb:

Many people spending their period by playing outside together with friends, fun activity using family or just watching TV the whole day. You can have new activity to spend your whole day by looking at a book. Ugh, do you consider reading a book can really hard because you have to take the book everywhere? It all right you can have the e-book, getting everywhere you want in your Mobile phone. Like Todd which is getting the e-book version. So , why not try out this book? Let's notice.

Krystal Wilson:

A number of people said that they feel bored when they reading a publication. They are directly felt it when they get a half portions of the book. You can choose often the book Todd to make your own personal reading is interesting. Your current skill of reading talent is developing when you such as reading. Try to choose easy book to make you enjoy to learn it and mingle the feeling about book and looking at especially. It is to be 1st opinion for you to like to start a book and study it. Beside that the e-book Todd can to be your new friend when you're experience alone and confuse using what must you're doing of that time.
