Give Your Students a Head Start on College and Career Readiness with Our CCSS-Aligned Writing Program!

Rather than simply meeting each standard, make sure that your students achieve the levels of college and career readiness that the Common Core State Standards require. Prestwick House's new *College and Career Readiness: Writing series* includes everything you need to develop appropriate writing assignments, provide suitable instruction, and offer useful feedback and scoring.

Each lesson contains detailed, step-by-step alignment with the Common Core Standards, while providing instruction and practice in a full array of writing types, including process, on-demand, and journaling. Student models will help your class to gain valuable writing skills, while the complete four-year rubric will help you to guide students toward writing success.

The College and Career Readiness: Writing series will help you: Align your daily, weekly, and monthly unit plans with the Common Core standards; Instruct students and give indispensable practice in the full scope of writing that they will need to complete after high school; Build student confidence and independence as they overcome the need for scaffolding; Articulate student growth and expectations from one year to the next using the four-year rubric. Recommended for Grade 10.

Note from publisher: This is a student classroom edition. Teacher's editions are available from the publisher but are only sold to teachers and schools.
