Foundations of Corporate Law, 2d (Foundations of Law Series) Roberta Romano

The most comprehensive and interdisciplinary anthology of corporate law material available, this reader reflects the enormous changes that have occurred in business organization and legal scholarship since the hostile takeover was introduced in the 1980s. The second edition has both completely revised and expanded the material covered in the first edition. New and revised topics include capital markets, agency theory, behavioral economics, state competition for corporate charters, boards of directors, shareholder voting rights, executive compensation, activist investors, takeovers, securities regulation and comparative corporate governance.
