God of Our Single Years Kevin Morgan

Christian singles face many challenges that threaten our peace of mind. African-American Christian singles must confront these and additional obstacles that arise solely because of our heritage and racial background. Compounding these challenges, many of us make decisions involving our spirituality, our platonic, family, professional and romantic relationships that potentially introduce devastating long-term problems into our lives. Additionally, many of the choices we make regarding our sexuality harms our relationships, destroys our communities and blocks the blessings that God has for us. This book seeks to clearly identify what is unique about the African-American Christian single experience and to point out the role that God's purpose plays in defining who we are. Secondly, this book proposes concrete and practical steps we can take to transform our singleness into blessedness.
