Oxford Handbook of Clinical Dentistry David A. Mitchell, Laura Mitchell

The *Oxford Handbook of Clinical Dentistry* has firmly established itself as the leading pocket clinical reference for all dentists and dental researchers. This new edition has been completely revised to reflect the rapid changes in dentistry that have occurred since the first edition was published in 1991. It contains expanded sections on restorative dentistry, practice management, non-accidental injury, guided tissue regeneration, AIDS, ATLS, and numerous other topical issues. In addition, recent developments in cross-infection and health and safety law control have been included. This book has been designed to provide easy access to the facts, ideas, opinions, dogma, anecdote, and truth that constitute clinical dentistry. Blank pages are included for notes.
