Part guide, part memoir, this book mixes inspiration, practical how-to manual and reference to New York City all in one. Johnny is a musician/writer who decided it was damn time for someone to help out new artists, musicians, comedians, and writers who move here. He lists hundreds of ways to save money while still having a great time hitting up Manhattan and Brooklyn. How to get into free open bars, not pay for free premium cable, and find the hot-spots where many of today's artists are going. Just following a few simple tips could save you hundreds, if not thousands of dollars a year. For anyone who is on a budget and lives in or near Nyc, this book is a necessity. His tone is one of sincerity and humor, with the utmost respect for upcoming artists/musicians/comedians that pour their heart and soul into their passion.
