The Castle (Everyman's Library (Cloth))

Franz Kafka

The Castle (Everyman's Library (Cloth)) Franz Kafka
(Book Jacket Status: Jacketed)

Arriving in a village to take up the position of land surveyor for the mysterious lord of a castle, the character known as K. finds himself in a bitter and baffling struggle to contact his new employer and go about his duties. As the villagers and the Castle officials block his efforts at every turn, K.'s consuming quest—quite possibly a self-imposed one—to penetrate the inaccessible heart of the Castle and take its measure is repeatedly frustrated. Kafka once suggested that the would-be surveyor in *The Castle* is driven by a wish “to get clear about ultimate things,” an unrealizable desire that provided the driving force behind all of Kafka’s dazzlingly uncanny fictions.

Translated by Willa and Edwin Muir
