Camelot! The very name conjures up visions of chivalry and honour and tables that are round.

The truth was somewhat different.

When a train deposits Barnaby back in the time of King Arthur, he finds that the reality leaves a lot to be desired when compared with the legends. It's up to him to restore the glory of the tale, but he's not got a lot to work with.

The Sword In The Tree is a comic retelling of the Arthurian legends in a way that they have never been told before.

Let's hope they can take it.
